City of San Antonio

Regional Community Education and Outreach for Non Attainment Air Quality

Objective

The objective was to create awareness within the business community about the “potential” economic impact of nonattainment and what they can do to help Bexar County maintain clean air quality standards.

The objective was accomplished through media relation tactics targeting English and Spanish print, broadcast and online media outlets complemented by social media channels.

Tactics

- ***Public Relations***
- ***Paid Media***
(TV, radio, print and on line messaging)
- ***Blogger event***
- ***Community Outreach***
- ***Business Round Table discussions***
- ***COSA Website blog***
- ***Celebrity Spokesperson***
- ***Community Events***
- ***Giveaways***
- ***Fact sheets***
- ***Social Media***
- ***Office of Sustainability***
Blog Talk Radio Network
- ***Text Messaging***

Campaign

Focus: Cost of Non Attainment Study

Demographic/Audience: Business Owners &
Neighborhood Leaders

Brand/Logo:

B R E A T H E T O D A Y .

S A  T O M O R R O W .

Community Events/Roundtable Discussions

- Bloggers Event-May 21st (7 attendees)
- Downtown Tech District-May 31st (10 attendees)
- AAMPO (Public Information Officers)-May 31st (12 attendees)
- Downtown Operators Meeting-July 11th (17 attendees)
- SGMP (Society of Government Meeting Planners)-August 8th (22 attendees)
- SAMA-August 9th (4 top manufacturers including the Chairman of the Board and President)
- BOTS (Business Opportunities for Texans in San Antonio)-August 15th (30 attendees)

PR Plan

Key Messages:

The City of San Antonio's air quality mission is based on two predominant values: the health of our residents and a thriving economy.

LA CALIDAD DEL AIRE INICIATIVAS DE LA COMUNIDAD

MANTENIMIENTO DE LOS MOTORES
Realizar mantenimientos periódicos y poner en punto los motores de autos, barcos y otros motores y evitar tubos de escapa que emitan humo

AHORRAR ENERGÍA
Comprar productos de ENERGY STAR. Familias podrían ahorrar un tercio en sus cuentas de electricidad para el hogar sin sacrificar ni el estilo ni el confort.

ELEGIR UN VIAJE DIARIO AL TRABAJO MAS LIMPIO
Optar por viajes compartidos en auto, usar transporte público, bicicleta o caminar cuando posible.

NO REGULAR EL MOTOR
Evitar regular el motor del vehículo por mucho tiempo.

LA MEJOR HORA PARA CARGAR GASOLINA
Llenar los tanques de gas de los autos y los camiones después de las 6 de la tarde.

TCEQ has issued an 🟠 Ozone Action Day 🟠 for the San Antonio area for Monday, October 2, 2017. You can help prevent ozone pollution by sharing a ride, walking or riding a bicycle, taking your lunch to work, avoiding drive-thru lanes, conserving energy, and keeping your vehicle properly tuned. #OzoneActionDay

MISSIONS PITCHER WANTS TO STRIKE OUT AIR POLLUTION

San Antonio Missions pitcher, [Brett Kennedy](#), is asking residents and business owners to join him and a tenacious team of community members to strike out air pollution in the Alamo City. Kennedy appears in television commercials about the importance of keeping San Antonio the largest clean air city in the nation. Accompanied by Kaitlyn Muñoz, spokesperson for CW For A Cause and correspondent for Daytime@Nine, public service announcement are airing on The CW 35 and Fox News 29, revealing ways residents can actively participate in reducing air pollution as part of their daily routine.

[THE COST OF NONATTAINMENT](#)

An enormous financial burden hangs above our heads as San Antonio awaits the U.S. Environmental Protection Agency's (EPA) decision regarding standards for air quality. Being that the EPA sets the bar for acceptable levels of ground-level ozone, there is a lot at stake if the air quality in Bexar County and the surrounding counties doesn't make the mark.
