

Celebrate Earth Day!

See how many of these activities you can do to make the Earth a healthier, better place.

1. Read a [book](#) about nature

What are you interested in?

2. Plant a tree

Make sure it's [native](#) to your area.

3. Make a [pinecone bird feeder](#)

Find out what birds in your area like to eat.

4. Create art

Use recycled objects or things you find outside.

5. Pick up trash

Make your community a cleaner place to be!

6. Grow a plant

Start some [veggies or flowers](#) in your yard or in a pot.

7. Go on a nature walk or [hike](#)

What plants and animals do you see?

8. Display an [air quality flag](#) in your community

Let everyone know how clean the air is!

9. Get outside and have fun!
